4/ Further action required to control risks. (As detailed)

- a) Teaching staff & assistants accompanying students should be advised to wear face masks.
- b) Schools should encourage students – “Think personal hygiene safety” – washing hands before their journey & on return.
- c) Schools adopting the “Bubble” scenario - encouraging students to sit with those from their group – in order to keep different groups from mixing. “Bubbles” pre-organised in school.
- d) Social distancing measures should be observed & order implemented when boarding & alighting the vehicle.

Let's all make your journey with us safe & Covid-19 secure –adhering & practicing government & HSE directive – advice & guidelines - maintaining high levels of hygiene – staying vigilant - alert & safe 😊
